

Blood Donation Camp by CTDOA

The fact that CTDOA lives up to its status of an organization with social responsibilities, was reiterated on 19th June, 2008, when a Blood Donation Camp was organized by the Association. It was after a gap of eight years that such an event was held, and it generated huge interest due to the sheer goodwill of the entire exercise. The Hon'ble Finance Minister Sri Ashim Dasgupta was initially scheduled to attend the event, but had to cancel the appointment at the very last moment due to an urgent flood relief meeting in Midnapore. However, he expressed his best wishes for the camp in a letter addressed to CTDOA.

The program was conducted by the Welfare Wing of the CTDOA on 19th June from 11 AM with the support of Central Blood Bank.

Though the organizing activities were conducted by CTDOA, all organizations irrespective of ranks and files were invited to participate in the program actively.

Successfully cutting across the organizational barriers, all members participated enthusiastically from the offices of Salt Lake, Behala and other areas. The target donation was 50 bags of blood as we had given an estimate to Central Blood Bank. The attendance for blood donation was 55. Due to medical reasons 8 participants could not donate their blood. But the doctors collecting the blood were satisfied as the figure was sufficiently accurate with the expectation.

The Commissioner, Commercial Taxes, Addl Commissioner, President, Secretary of CTDOA as well as Secretary and President of Welfare Wing of CTDOA inaugurated the program in the presence of members, both senior and junior.

Buoyed by the success of the program, the Welfare Wing of North Bengal too has shown keen interest in staging such an event themselves.

We hope such type of social programs will be organized every year and the Government will increase our confidence by co-operating morally and by providing the necessary infrastructural support.
